UNDERSTANDING YOUR ROLE AS A BOARD MEMBER

UPCOMING DATES

January 11, 2022
12:00 pm - 1:00 pm PT | 3:00 pm - 4:00 pm ET

WORKSHOP DESCRIPTION
As volunteer leaders, board members play a critical role in their organizations’ success. Learn the fundamentals of effective governance through exploring the basic roles and responsibilities of the board and for individual board members. Explore what board members' fiduciary duties—of care, loyalty and obedience—are really about. This session will equip you with the tools you need to institute best practices for your board and fulfill your obligations as an individual board member.

ABOUT THE TRAINER
Stephanie has dedicated her career to the nonprofit sector since 2003. She has served as an executive director for a health advocacy organization as well as held development and program management roles for organizations serving seniors and people with disabilities. In these roles she expanded programming, strengthened infrastructure, and grew fundraising revenue. Since 2008, Stephanie has consulted for a variety of additional organizations helping them ensure sustainability through effective planning, governance, talent management, and fundraising. She has worked with organizations of all sizes—from grassroots with no paid staff to multi-campus health care providers with nearly $60 million in annual revenue. Stephanie is an adjunct faculty member for Villanova University’s College of Professional Studies where she teaches a variety of nonprofit topics.

Demonstrating her commitment to helping organizations employ model practices, Stephanie is a Certified Governance Consultant through BoardSource and a Licensed Consultant through the Standards for Excellence® Institute. Recognized for her skills in teaching, she was designated a Master Trainer by the Association of Fundraising Professionals (AFP) in 2010. She earned a BS in accounting and MS in gerontology from the University of Southern California as well as an MAEd in adult and organizational development from Temple University.

Stephanie understands nonprofit management through lens of a manager and consultant as well as a volunteer herself. She has more
