- Training, Facilitation & Leadership
- Fundraising
- Strategy & Planning
- Social Media
- Marketing & Communications
- Volunteer Management
- Board Development

Our training schedule is updated monthly with new topics and presenters.

Discounted registration to in-person Nonprofit Labs

Our Labs are a one-day deep-dive experience to network, engage in conversations and learn best practices to implement at your nonprofit. Attendees will learn practical strategies to help nonprofits be more effective in fundraising, communications, board development and management. Workshops are at the intermediate to advanced level and are led by experienced facilitators and practitioners.
